Comments:

(FYI)
I am pleased to advise you that I did sign a Notice of Allowance for this application on 6 March 2005. However, this case is among the class that requires review by a "second pair of eyes". Hence the allowance will not be official - and you will not receive any official communication from the Office in this case - until that review process is complete.

My last case took seven months to clear this review process. Hence I am hopeful, but cannot assure, that the results of the review will be known within two months.

Please do feel free to contact me if I can be of further help.
